

## **Thin Air**

It's like she disappeared  
right out of the air.

She was about a block and a half away from the school when  
she disappeared.

[Redacted] was in good spirits  
the day before she disappeared.

Friends say it's unlike her to disappear  
for so long.

On the night she disappeared,  
the 15-year-old attended a disco across the border in Donegal.

At the time she disappeared,  
[Redacted] was only wearing a zip-up sweater, spandex pants,  
athletic shoes and a plastic poncho.

[Redacted] said she kept in regular contact with her sister  
until she disappeared.

The daughter of a missing flautist has said her mum was  
"incredibly happy" before she disappeared  
five days ago.

Officials said she was supposed to meet with someone  
on the night she disappeared.

Police say [Redacted] forced [Redacted]'s three daughters to take a sleep aid  
the night she disappeared  
but one spit the medicine out and heard her mother and [Redacted] arguing.

Friends of [Redacted]'s reported her missing to San Bruno police  
about a week after she disappeared.

The day she disappeared,  
[Redacted] called out sick from her job as a letter carrier at the U.S. Postal Service.

Her body was discovered  
a day after she disappeared.

Body of missing activist, 28, is found in an Ohio river  
two months after she disappeared.

four years after she disappeared  
there.

Police have launched a fresh large-scale search for murdered Bangor woman [Redacted],  
at a former airfield site where she disappeared  
14 years ago.

She vanished.

This day and age, it’s hard to just  
absolutely vanish.

“We’re using the phrase, ‘It’s like  
she vanished into thin air,’

but I want to say right here and now:

There’s no such thing,”

[Redacted]’s aunt [Redacted] told local media.

“Somebody knows something. It’s  
impossible that nobody knows anything.”
