

A second life

After this life

we need a second life

to apply what we learned

in the first.

We make a mistake after another

we need a second life

to forget.

We marry-go-round

we need a second life

for love only.

We need time

to finish our prison sentence

and then live free

in the second life.

We learn a new language

we need to practice it

in the second life.

We rush

all over the places,

we need a second life

to take pictures.

We write poetry and move on,

we need a second life

to know the critics' opinions.

Pain takes time

to dissipate

we need a second life

to know how to live

without pain.
